“ *Dear Dar and Family,
Words can't express our sorrow for the physical loss of Benny. Even though I only have a few personal memories of Benny, I could tell his life story. Mother loved Benny! She made sure everyone knew about him and his talents. Everyone in the nursing home knew about Benny's cars. Mother loved and was proud of all her cousins. What I remember, Benny seemed to always be a kind, gentle soul. The last time I saw him was at Aunt Doolie's house. I was fourteen, and I turned sixty years old this year. But for a man to make an impression on a young teenager goofing around with her cousin, Dana, he was special!*

Darleen and family, Ben was a good neighbor with a good sense of humor. We would help each other with different projects over the years. Ben really liked buildings his street rods. We will miss you "neighbor"
