“ Ben was a very dear and old friend. We lost touch over the years and regret that. I have so many wonderful memories of Ben. From the time we played peewee football together and riding to practices in the back of Davids truck, or the times sleeping in his waterbed as kids that made me sea sick and he we would laugh about it. He was always there for me when we were growing up and a TRUE friend. I learned a lot from Ben too. We always had a close bond and I regret not keeping in touch. I loved the whole family as my own. I know there's a special place in Heaven for Ben and Connie.

“ David, I am deeply sorry to hear of the loss of your son. I am outside the USA at the moment - otherwise I would have come to offer my sympathy personally. The loss of a child is always hard and at such a young age it must be a severe blow to you. Again my deepest sympathy.

“ I'll always remember the great times all of us boys had running around the farm in Pendleton. Ben was usually the youngest but had no problem keeping up with the older boys. What great times we had. May God bless Ben in heaven and his family here on earth.
