“ To the Waltz Family: My heart is saddened and heavy by the loss of Benny. The whole family was such a wonderful presence in my childhood. I don't think our families ever missed a wedding, graduation or birth of all those wonderful grandchildren. I remember sharing birthday's with Benny at Hagerstown. He would always make my birthday feel special by bringing me a giant slo-poke sucker. I will cherish those memories. May the Lord be with you and comfort you at this time of sadness.

“ Dear Family of Bernard Waltz, I want to express my sincere sympathy for the loss of your loved one. You can be assured that comfort and encouragement can be found in the Bible. At Revelations 21: 4 you can read of a time when pain and suffering will be no more. What a wonderful hope. Please take care of yourselves. Sincerely

“ To the Family of Ray Waltz, It is with deep sadness that I express my sympathy over Ray's passing. I'm so sorry to say, I have never met your father he has become an e-mail friend of mine. I wrote to Ray & Barbara a few years ago with questions of my family and I met two wonderful people that have become apart of my life. I have always admired his wonderful e-mails he would send. I do know that his wife, children and grandchildren were a very specail part of his life. I want you to know that your father touched a special place in my heart. I will miss his e-mails. May all your wonderful memories of your father bring you comfort and peace. Robin Wilson
