“ *Bernice was my customer but also my friend. She was one of the sweetest people I've ever met. I visited her whenever I could and was always happy to talk to her on the phone. She was the grandmother I never had. My heart is broken knowing she is gone, but my memories of her will live in my heart. I am blessed to have known her. So are you.*

“ *Bernice was a lovely woman and a good friend. I loved her like a mother. Our friendship started in 1965 when we worked at Montgomery Ward. I will miss our visits in person and on the phone. Rest In Peace sweet lady. My sympathies to the family for their loss.*
