“ *Grandma Bessie was the most loving, sweet, caring and kind hearted person I've ever known. My absolute favorite person in the whole world. I can't put into words what she means to me even still after she's passed or the love I have for her. I miss her more than anything and I would give my last breath if it meant I got to be with her again. Rest in Heaven grandma, I hope you know how truly loved and missed you are and what you mean to me!!!! Thank you for helping raise me, I wouldn't be who I am today if it wasn't for you. I love and miss you more everyday, and I can't wait to see your beautiful face and hug and kiss you again one day!!!*
