“ Aunt Bessie, I felt like we were more friends than aunt and niece. Our common interest of photos, scrapbooks, nicknacks and my fatheryour brother brought us very close. You were one of my many homes when I visited. You were a wonderful lady and I will miss you immensely. Give my love to all our loved ones. Your niece Sylvia

“ I want to thank the members of My Aunt's family in the area that took such good care of her. She mentioned to me when I was back there in March, that you were so attentive to her. As far back as I can remember, I believe she has always been attended by Angels. Aunt Bessie was a person that loved very deeply, and in turn, was loved deeply. It saddens me to think I will not see her again on this earth, but I WILL see her again when we meet in Heaven. She is with our Lord now, and there is no more pain. My thanks to all family and friends who made her life so full of joy. And my thanks to Aunt Bessie whose memory will always remind me of joy and beauty. She was an Angel on earth. Now, she is truly an Angel.

“ Great Aunt Bessie - we are sad that you have left us but happy to know that you are with your family. I will never forget the times coming over to your house with Grandmother and the first time you introduced me to fried green tomatoes. Thanks for the wonderful memories!

“ I had the priviledge of growing up across Plantation Dr. from Bess and Vic. Bess was the most gracious, loving, and beautiful person whose love for others shined brightly. From the time I was 3 years old through to the last correspondence with her earlier this year, she had the ability to make me feel like the most important person in the world. You will truly be missed.
