“ Dear Mark,Dawn and Sydney, We will always remember Beth as the wonderful and giving person that she was. She will always be alive in our hearts. I knew Beth all of my life because she had been friends with my mother Connie. I guess you could call her our family too. Please know that we always thought of her that way. She was even there when my little brother Jake was born. I cannot believe that she has left us in the physical state but she will be with all of us in spirit and every time we think about all those wonderful things we did together and when we think of all the wonderful things she did for others. We will miss her so much. Love to you all, Mike, Heather,Aiden and Connie

“ Mark and family, My thoughts and prayers are with you. Beth was a true friend. I'll never forget her. She seemed so happy in September when I saw her last at the class reunion. She was looking forward to her trip with Sydney, and was planning to go out east to visit friends. I was just shocked to get the call from my Mom and other friends who have read about her passing. She had a great heart and I'll miss her laugh. I hope to make it to the service Thursday. Best Regards, Cathy Schick Herr
