“ Rich ,Nita and Natalie...I read the paper on line once a week or so. I was saddened to read today that your Mother has passed away. Your Mom was like a second Mom for me for about 4 years or so when we lived on 450E. Where I was concerned she was a good sport, I would come to your house and help myself to the cookie and snack cabinet, and there was always a seat at the dinner table. Your Mom lives on inside you, and she will be with you as long as you live. I have thoughts of my folks almost every day. I have felt bad about the last time that we were together, at the steak house in Anderson. I would have enjoyed visiting with you all. Please accept my condolences and my thoughts are of you all this day. Charlie Brann

“ My deepest sympathy and condolences go to the family of Betty Jean Blevins. It is a very sad time when we lose someone we love and I just wanted to offer some comfort and encouragement from the Bible. We remember the good times we had with them and how much we love them. When we loose someone we love the Bible gives us a comforting message to help us cope with their death. This message is found at Revelation 21:3, 4 and Isaiah 33:24. May these words bring you comfort as they did me when my mother died. Deepest Sympathy, Ms. Floyd
