“ Back in the day, Betty Lou and I were both daughter in laws in the Catt family. We used to stand side by side at Mom's (that would be Beatrice Catt) kitchen sink cleaning up after a big Sunday dinner and of course "commiserating" about family stuff. I liked Betty Lou very much and I send my love and support to all family members.

“ My deepest sympathy for her sister, children, grandchildren and others who had a personal relationship with Betty! I will miss so many things about her, especially her sharing family recipes and teaching me how to make homemade fudge which is one of Greg's favorites. May she rest in peace!
