“ Sandy,
I am so very sorry for the loss of your Mother. She was a dear and lovely lady, and I always enjoyed visiting with her when we saw each other out in public.
My thoughts and prayers are with you and your family at this very difficult time.
Love to you and Dean,
Shirley Carpenter

“ *As with the passing of your father, we are out-of-town and unable, at this time of the passing of your mother, to express our condolences personally. Please accept this less personal, but most sincere, expression of our condolences and our prayer that you will sense the under-girding presence of God today and in the days to come as you grieve her passing and celebrate the life of your mother.*
Blessings and peace!
