“ *Betty, I know that you will be sadly missed by all your friends and family..I know that you missed my husband when he passed away, he sure enjoyed coming to the bar and aggravating you...I don't know how you put up with him sometimes, but you did...he liked you and said that you got along with everyone...and you always made sure he got home alright even when you had to call Vera Kay...To your family, I am so sorry for their loss... Rest in peace and tell Don Hi for me.... Patty*
