“ *I was fortunate enough to meet both Betty & Chic when I went to Florida with Amber. They treated me as I was their own. Both of them hold such a special place in my heart, and I feel blessed to have known them. I know they are both so happy now being back together. My thoughts & prayers are with all of the family. Love you all!*

“ *I was so sorry to hear about your mom's passing. I have so many fond memories of just hanging out at your house. Your parents were both wonderful people. I couldn't imagine them being apart. They must be so happy to be together again. Hang on to all of the great memories.*
