“ So saddened and I will miss you tremendously. I am so happy for the time we had together. Wish there were more time for us to chat and catch up on news but i found out you had moved to another residence. That new home of yours is so much better than your old one. The new one is so beautiful and the roads are even paved in gold. There's no pain and suffering where you are now and for that i am so happy, so how can i be sad? I Love you my friend, I really Love you! To John & Rex: I am here if you need me for anything. Your mom is not suffering anymore and how glad we should be about that. All she did was move to a residence with Jesus and we will see her again when the time is right. Please be encouraged in knowing you were such great son's. and she loves you still!

“ Johnny, I'm so sorry to hear about the loss of your mom. She was a strong woman and fought such a hard battle for so many years. She was so blessed to have you as a son and someone that was so dedicated to caring for her. You will be in my thoughts and prayers and please know that I love you very much.
