“ I don't even know where to start.  
I have known Betty for a long time. I don't know if she brought the girls into my life or they brought her.  
I just know that she was a very sweet loving lady. I will miss her. So glad she is with our Lord that she told people about.  
My prayers and thought are with the family. You also have been important in my life more than you will ever know.
