“ Bill and I are very sad to hear of Betty's passing. She was very special to me. Please give Sonny a big hug. You all are in my heart and prayers. Bill and I made a donation in Betty's name to the foundation and I sent the card to Shirley, since I did not have your address. Take care and God Bless. r-piner@austin.utexas.edu Bill.Piner@balletaustin.org

“ My Father gave her to me as a gift from God above. Who would know a Step-Mother is someone you can really love? I shall call her mother the name that suits her best. Although my veins are not of her blood, she surpassed all the rest. She loved me and did her best to understand me and of course became my friend. Quite a few heartaches together we shared, my new mom and me. We were put together for a reason even if we cannot see. But God had a plan for her and I and made her my father's wife. I cannot say enough for all the times she cared. Thank you for the tender moments I can now share. My mother she will be forever and ever again. She's my shining angel and most of all, forever my friend.
