“ *Our Sincere Sympathy to Mark & his family.with the passing of Lydia. We were so Blessed to have known & been neighbors of Lydia's. She was such a joy to visit & hear her many stories of her life. You can only imagine the challenges she was faced with in those early days as a female engineer. But anyone knowing Lydia, knows she was the gal to take it all on. We will miss her spunky attitude. God Bless Lydia, knowing she is with Our Lord!!!*
