“ *Lee, so sorry to hear of the loss of your mother..We just read it in the paper this evening. Sorry we could not make it but just wanted to let you know that we are thinking of you during this time of loss. If you need anything please let us know...I remember when you brought your mom to our family reunion a couple of years ago..had so much fun with her and she had a great time bidding in our "fun auction"...Again, our thoughts and prayers are with you and your family....*
