“ You married my grandpa Bill and you made him very happy. You always treated me lovingly and I loved being a part of your family. I will always cherish the memories. God Bless and keep you in his arms.

“ When I first joined this family 33 years ago, not everyone was happy about it. But Grandma made me feel like one of hers from the very beginning. If I can be just half the Lady/Grandma/Christian/Great person She was, my life will be totally blessed. I love you Grandma. The light in this world has dimmed. I'm sure Heaven is a little brighter. Miss you until we meet again.
