“ Our sympathy to the family. I best remember Beulah from when I was a little girl and my grandparents Louise and Sandy Mendenhall would bring me to her house in Rochester. I loved coming there and visting and playing in the yard with Emily and Joanie. Beulah would always have a nice lunch for us. Although I have not seen her in years I have many times thought about her and John. Thanks for the childhood memories and may you rest in the arms of our Savior.
