“ I miss you everyday. So much I want to talk to you about. Wishing for that canoe trip saying nothing, but appreciating all the Lord laid out before us. Soon. I may not know the reasons why, but I know which team you fought for. Thank you and grandma for these beautiful roots. May my tree grow as beautiful as yours did. Love you both. My world has never been the same without you. Put in a good word for us to our Lord. We are working really hard. This light taken from our planet is heartbreaking. All who truly knew them knows what I am saying. May God watch over us all. Protect us and lead us to truth and freedom.
