“ Aunt Doris, Julayne, Brian and Kaylyne, We all know how special Bill was to us. I am not going to think of him as being gone, but as being an Angel sitting on our shoulders, watching over us. I also now he will be teasing me. When I knocked his golf club over I know he said " Way to go Grace" and then he said look!!! you broke it. Then his wonderful, ornry laugh that I have heard so many times in my life as he always teased me. My thoughts and prayers are with all of you and I love all of you! Judy

But now he won't be in just one place but with you and us. everyone knew that he was a very cherishble man. also he was an honest man and had a loving and carefree heart that he expressed to everybody and from him self but you know that everyone here in Washington miss him and you guys.
