“ I can't think of a bad thing to say about Billy. Such a great guy who loved his family and all of his grandkids. Hard working man who loved to drive his truck, I mean Billy loved driving. That's all he wanted to do is drive. Billy picked up freight at PPG everyday. Billy would come late, stay later than he should to make sure our freight made it on his trailer each and every day. He saved our butts many times over, he never let us down. Everyday we all looked forward to seeing his smile, his positivity and hearing his laugh. We treated him like our family and he did the same. Billy is truly one of the good ones. God called on him sooner than any of us would have liked, but he's where he needs to be now. He will be missed deeply by many. I'm just lucky enough to call him a friend. Rest east Billy! - Nacho (Tony Brummett - PPG)

“ He was our neighbor and several times just showed up with his snowblower and cleared our driveway. I was so grateful for this.

“ Billy has always been so kind and amazing to us. I remember him teaching me to play guitar and giving me anything I wanted from The fridge when I'd go to visit and jump on their trampoline. He was such a funny and fun loving person . He will be missed by so many people .

“ Being Billy's supervisor wasn't an easy task sometimes. He was always one of my favorites though. I can say he has flipped me off every time I have seen him in the last 10 years or more. He will be truly missed. My condolences to the family
