“ *Barbara and Family--I am so sorry for your loss--I did not know Billy, but if you chose him--he had to be one great guy!!! You were always one of my favorite students and I have followed you somewhat over the years and was proud that you chose teaching and was such a great influence in the lives of children. May God bless you, your daughter, and your extended family--time will help to heal the wounds and the fun memories will take the place of sorrow.*  
*Sincerely--Linda Byers*
