

Blanche McGuire

February 14, 1920 - September 16, 2021

Blanche McGuire, 101, passed away on September 16, 2021, at Keystone Woods Assisted Living Facility. She was born February 14, 1920, in Anderson, and lived all of her life in the Anderson area.

Blanche was the daughter of William and Mary West, and they had four sons and three daughters. She was the last living child of the seven children.

Blanche attended Anderson High School before going to work for Delco-Remy in the late 1930's.

After giving birth to her only child, William E. Henry on January 23, 1941, she went back to work for Delco-Remy in 1943. She worked for Delco-Remy for 42 1/2 years until her retirement in 1984.

She is survived by her special friend, Jean Carpenter; and several nieces and nephews.

Blanche and her husband, Bob McGuire, enjoyed 48 years of marriage. Bob passed away on Mach 7, 2015.

Blanche and Bob had a wonderful life together. They traveled extensively, trips to Europe, including a trip down the Rhine River, driving thru France and exploring England. They went to Mexico a number of times and Hawaii several times. As Shiner Club members, Bob and Blanche drove to many Shrine Club events in the U.S. and Canada where Bob drove miniature cars in parades. They enjoyed the experience and the comradery of the trips.

The members of Bob's military unit during W.W. II in Europe, held yearly reunions and in the later years, Blanche and Bob assumed responsibility for

conducting those reunions. The reunions were originally held in Indianapolis, but as the membership diminished they were held in Anderson. These reunions were a great enjoyment for Blanche and Bob. Blanche and Bob also drove and flew to California to see Blanche's son Bill. Later as Blanche was unable to travel, She talked to Bill on the phone every day. Blanche has enjoyed the friendship of many, many, people and relatives over the years. She regularly talks to many of them on the phone. If they don't call her, she calls them. We will all miss Blanche, including the friends she made at Keystone Woods Assisted Living Facility.

Blanche was a unique person, who was outspoken and independent. One of a kind.

“ *Blanche was more than a friend, she was family. She and Bob helped us raise our children who referred to them as Aunt Blanche and Uncle Bob. We were family for about forty eight years! I will harbor warm memories of our times together for the remainder of my time here on earth. May God hold Blanche and Bob safely in his hand. John Hicks*
