“ I had the pleasure of meeting Bob and Nell while visiting friends across the street. They are the kind of neighbors that make you wish you lived in their neighborhood, and I sure wish I could be there to offer personal condolences to Nell. Please know that you are in my thoughts and prayers, and I sure hope your neighbors return the wonderful favors in this your time of need. God bless you!

“ Our hearts go out to Nell and the family. Charles has stories about a younger Bobby and the antics they tried. I have memories of Nell and Bobby being a constant force when my family was gravely ill. When I needed extra support at a hospital or funeral home, Nell and Bobby were there with kind and generous words. They never failed to offer to help in any way they could. We are sorry that we can't be in Indiana during this time, but we will always remember our visit in May.

“ I could go on forever about Uncle Bob and Aunt Nell. My memory of either of them, always includes the other. What a bond! There are so many memories.....they started about 60 years ago for me and I can't image growing up without them. They visited Debbie and me in Golden, Colorado where we hiked the foothills or Coal Creek Canyon and in Pensacola where we fished in Pensacola Pass. By the way, we caught a bunch of sheephead. Aunt Nell, we love you so much. Debbie and I are with all of you in spirit during this time of celebration, and this time of mourning. Tracy & Debbie
