“ *There was never such a thing as "not enough room for one more" at the Keihn house. Every kid in the neighborhood hung out there. Many good and lasting friendships started there. My deepest sympathy to the entire family.*

“ Boyce was a father to me. I grew up spending more time in his home than in mine. Boyce and Hattie raised an entire neighborhood. Tina and Valerie are like sisters, Buddy and Mike are my brothers. My life was shaped by the love Boyce brought to his family. I am the man I am today because of him. I love you Boyce, rest well.

“ I am sorry to hear of the passing of Boyce. Him & Hattie are some of the greatest people I have ever known, even when he was kicking my butt in dominoes and laughing about it. My thoughts and prayers are with Hattie & the rest of the family.

“ I did not have to privilege of knowing Boyce but I was lucky enough to play softball with Press Ligon and Buddy. Playing with Press and Buddy has given me many wonderful memories and I still have the #3 jersey that my son Alex wore. Buddy Keihn will his first hero and I am proud of him for recognizing the many positive qualities that Buddy has. I miss those days as much as Boyce's family will miss him. My prayers are with his family at this time. David W. Davis
