“ I only knew Brandon for a short time. Upon meeting him, I knew rather quickly that this was a man with a kind and caring heart. Even more obvious was his complete love and devotion for his wife, Bobetta. I will forever be grateful that I was fortunate enough to meet Brandon and witness the pure love he and Bo shared. He will never be forgotten, but instead, remembered always with fondness. Fly High and Free, Brandon !

“ Brandon came into my life and made everything change for the better. I never believed in soul mates until him. Him and I always spoke about what ifs. We just never thought this would happen. He had come a very long way in his life. We made each other very happy, we love each other very much. All I want is for him to come back in the door from work. Baby you changed my life, I love and miss you so much.

“ Every time I talked to Brandon he had something funny to tell me or a joke. He always tried to race me when we were driving with each other. Anytime I called and needed help, he was there for me.

“ We only knew you for a short time, but it felt like a life time. No matter where we are you will always ride with us. We saw how much you made Bobetta happy an loved. You have always made a bad day into something better. Your friendship with us was more like a brother. You will be missed but never forgotten. Remember the sky is the limit fly high.

“ Brandon was a great man who treated Bobetta like a queen. He was so kind to me and we shared the same taste in music. I am sad I won't hear any new stories, even though I will always hear good stories about him from mom.

He was also there for me when my dog was dying from parvo and helped me save her.

A wonderful man was lost. I know he won't be I peace till mom is with him, but none the less—Rest in peace, lovely man.
