“ I have so many fond memories of us growing up together at South Mountain Church. From the youth group to the singing group led by Della Cosey to the many activities we were involved in. One particular memory was when we made "thousands" of Easter Eggs at the Lehman residence for a fund raiser at the church. Lots of laughter and fun was had and we swore we never wanted to see another Easter Egg again. . :) Even though we didn't see each other often since we live states apart, we would usually catch up where we left off when she came to visit and more recently on Facebook. Although we know that Brenda is smiling and face to face with our Savior, it is very hard for all of those left behind. We send our heartfelt condolences, thoughts, and prayers during this difficult time to all that loved her. we know that there are many, and she will be missed.
