I am blessed to have been a little part of Brenda's life. So many memories that make me smile and treasure. Tracy and Fred's wedding, helping me with Kim's wedding, going to races ...the Atlanta Race and we sat with gloves and winter coats on, fun times going to Michigan races, random camping trips a couple cruises just to name a few times. We grieve, but comforted to know you are no longer suffering. Butch even though we aren't there we are with you in our thoughts and praying for you during this difficult time. Sending our love Kathy and Phil

My family in FL and my wife and I were very sad to learn of Brenda's passing this evening. We shared many good times years passed. We have very fond memories of time shared in FL playing cards, dinners at the Watering Hole and just sharing quality time together in Lake Placid when visiting my parents.

My memory is that both Butch and Brenda gave alot of their time to help others in FL Brenda was there many times to help my mother after my dad passed. Brenda and Butch were there for my sister and I the night we had to fly to FL in a rush for the untimely passing of my father years ago. The FL park was never quite the same after Butch and Brenda returned to Middletown as they were leaders at the park in FL. We grieve, but hope your entire family has peace and know many people are thinking of you folks in this difficult time. Jamie and I send our love.

Butch so sorry to hear of Brenda's passing, we know she is in a better place and in no more pain. We will always cherish the memories the four of us made years ago, it is a shame time has a way of interfering. Brenda will always remain one of my most special friends...Love to the family
