“ *When I think of Brian, I will remember my Junior year of High School his Senior year, and think about the Senior Games Dunk Contest. Brian held the whole crowd in his hand. I intend to remember him smiling there on that court....Just like he would have wanted me to!!!*

“ Brian and I worked together at Wal-Mart in the electronics dept. He was great to work with. We had alot of fun working together. I remember he had a Pontiac SunBird that he always kept very,very clean. In fact, I remember one time he told us that he had the engine of his car steam cleaned to get off dirt and oil. When I think of Brian, I think of a tall guy who was always smiling and in a great mood.
