From riding that chopper minibike to a good game of football in the side yard. We cant forget the kick ball under the street light. “ *What a beautiful picture of a beautiful man! Words cannot express the sadness we all feel for the loss of our wonderful friend and "brother" Brian. As the family knows we were lucky enough to meet Nadean and Dick many years ago. Little did we know that we would become part of their family! Brian's radiant smile and wonderful sense of humor was infectious and we will miss him always. May God Bless you, Dawn and the entire family in your time of sadness. We love you all very much!
