“ It is with great sadness that I have heard of my cousin's passing. Brian was many things to many people. To me, He was a man of his word, possessed of kindness to those he liked and an iron will. He had a bulldog tenacity, that many didn't appreciate, but all respected. Brian was always there for me in times of need. I truly regret that we had grown apart in these last few years. And that I never made the time to reconnect with him. Aunt Phyllis, Tammy and Brett, you are in my thoughts and prayers. I miss you, Brian.
