“ *Oh Bryan, what can I say? You will truly be missed. Kenny was just talking about your camping trips together. I am sorry for Amy, too. I was so thrilled when I found out you and Bryan were getting married, as Kenny and I found each other later in life, too. You were an exceptional friend, and were always there if you were needed. Saint John's will never be the same, and neither will the lives of those you touched. R.I.P. Bryan. We love you and will miss you!*
