“ Hi Elaine, Sarah and Holly, I am so sorry for the loss of your dad and grandfather! I am only sorry that I can't attend the service today. I have to work and can't get off. I would love to see you all before you go back to PA. You know how much I thought of your parents and I still miss your mom. You had wonderful parents and I am sure you will miss your dad as much as you miss your mom. They are both in heaven and maybe they are rejoicing with Jess and remembering the good old days when we were all together. My cell phone is 765-623-5119 if you can't reach me on the regular phone at 642-5023. Take care of yourselves and never forget that I love you all. Love you much, Sondra

“ Elaine and Bob, Please accept our deepest sympathies for your loss. Rick and Pat were very special to us, they were our first real neighbors, and to this day, they were the best. I always enjoyed the talks we had over the fence, Pat with her birds and animals, and Rick with his stories and experiences. I loved to see him ride his motorcycle, although it did worry me, I knew he was doing something he loved. I can still hear him tell me how he cooked for the dogs, no pets were ever loved more or cared for better. I remember and have repeated to others how Phoebe was afraid of storms and hid under his bed, the funniest part was when she stood up while she was still under the bed. She was his true companion. He loved his children and grand daughters, that too was very obvious, and I know all of you will miss him very much. Our thoughts are with all of you, Leon and Joanne
