“ I have many a memory of going to Uncle Nook and Aunt Louises house. Having dinners, going to birthdays, the pressure cooker exploding and green beans going everywhere and watching her decorate wedding and birthday cakes with great ease. In matter of fact she made my wedding cake nearly 15 years ago. I have many things she made and gave me. Pillows, christmas ornaments, booties for my first born. These things I have put up for safe keeping and will keep forever. You will be greatly missed but your memory still lives in many hearts
