“ *My letter to Caradie,*

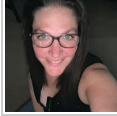

*Hi, baby girl, I never had the chance to meet you in person. It's just that way in families so far away. You came into my heart the day you where born and you had to fight so hard to make it. I tried to keep up with you by reading what your mommy wrote and talking to her. I hadn't heard much so I guess you had been doing good. When your Grandma called it floored me. I never once thought there was something wrong with you. I know if I had met you and lived close I would have spoiled you and your sissy. I love you Angel. You can go take care of all the younger ones that went before you. Hug Joshua Todd for me.*

*Love you and I will never forget you,  
Aunt Joy*

“ Caridie was a fun loving and caring little girl. She was always smiling. She loved to play and laugh ❤️ She was a great big sister. She will be missed very much.

*It's crazy to think we just seen her and her little sister and her mom and dad at the racetrack on the 4th of July she seemed so happy and entergetic and now she's gone. She may be gone but she will live in our hearts forever 🙏❤️*

*R.I.H babygirl we all love you so much*
