“ *One of the sweetest Christian men I have ever known. He was always supportive of me as pastor at Central, but more than that a loyal and personal friend. I always enjoyed being with him and we had some fun times together too. He was one of my favorite people. We will miss you dearly, but we are aware that you are experiencing the greatest of joys with your Savior that you loved and represented well while you walked this earth. Love you, man. “ *My Big Brother Carl, Nobody knows how close I was to You. Carl just talking to him could cheer me up. He was a strong spiritual man of God. Carl always prayed with me when something was bothering me. Just hearing his strong voice could cheer me up YES I will forever miss my Big Brother. When we where children he was a tease. Life was a trial back then, Jesus got us through it all. Heaven Gained a incredible man. Amazing Grace how sweet the sound. Love You so Much! Susie (Baby sister)*

“ *Becky and all,*

*JoAnn and I are so sorry to hear of Carl's passing. We know heaven has been his real home for a long time, but we will miss him here as we continue our own journey toward our eternal home. I always appreciated Carl's support when I was his pastor. We worked together one weekend I remember making evangelistic calls on families who had visited Central. I also remember that Carl was the first person to whom I gave my cell phone number back when that was a big deal--because I had to pay for every phone call that came in. I'm not sure he ever used it.*

*We extend to you our deepest sympathy. May the Lord sustain you with His grace and comfort.*
