“ My thoughts and prayers are with all of you as you mourn Carol's death and celebrate her life. Memories of growing up on Maryland Drive are very special to me, and the Dickmann family played an important role in them. I was unaware of how Carol used her teaching skills to give so meaningfully to prisoners in need. What a wonderful legacy! My best wishes to all of you.

“ I was so sorry to hear of Carol's untimely death. I will always keep the many warm memories of growing up with her two doors down on Maryland Drive. I thought she was such a neat mother. My siblings and I shared many fun times playing with Patty, Fritz, and Doug. The last time I saw Carol was at a meeting for the Madison County Literacy Coalition. The group was of great interest to me and I was thrilled to see a friendly and familiar face there and learn that she had a heart for those who needed to learn to read and was a very active volunteer. My thoughts and prayers are with all the Dickmanns as they celebrate the beautiful life of Carol Dickmann.
