“ Hi: I'm not sure if you remember me. I babysat with you in Pendleton. I think Dearl was about 6 and Deena 1. My mom, Ruth Craig kept you during school hours and I kept you until your mom or dad got home from work. I think the last time we saw you was at your Dad's visitation. Sorry to read about your mom's passing. Also sorry I had plans for today and could not match times to be at the cemetery for you. Mom is still with us at 91, but has alot of leg trouble that makes it hard for her to get out and about. We think of you often and remember how cute you were as children. Please know that we are thinking of you at this time. Mary Titus
