“ My condolences to the family. I worked with Carol at Concentrix for seven years and she sat beside me. We had great fun and I will miss her, but I’m glad I knew her. I cannot come to the funeral home as I had abdominal surgery last Friday and I’m not getting around very well yet. My thoughts and prayers will be the family: I’ll miss you, Carol. RIP.

“Mama”, I still can’t find the words to express just how heartbroken I am over the loss of you. I always loved you, but it wasn’t until I started working with you at Food Lion that we got really close. You took me under your wing and looked out for me like only my own mother had done. You were always there with advice when I needed it, or just an ear to listen when I needed to rant about a customer that upset me! I promise you, I’m gonna be there for Carra and keep her good(I know she’s laughing reason this bc no one tells her what to do lol) I will NEVER forget your laugh, it was THE BEST! I promise to NEVER EVER put my phone in my bra! I love you and I will miss you oh so much! See you on the other side! 💜💜
