“ Both DJ and I are truly wish we could stand at your side during the next two days. We truly loved Carolyn. As she would say when when she called, I need a Donahue fix. We'd love one more Carolyn fix. We will get one later in a better place. We will send memorial to your church. Jim and DJ Donahue

“ I didn't know your family very long, but feel very privileged to have taken care of Carolyn while at the IU Simon Cancer Center. The love that you shared for Carolyn was immediately apparent. I wish I could've met her before she became ill because I'm sure she had the same sense of humor that the rest of your family shares. I so enjoyed that part of my interaction with you. I will keep all of you in my thoughts and prayers as you go through this difficult time. Lean on each other for support because it will get you through this.
