“ Sorry for your loss Tami. I remember staying the night at their apartment in Chesterfield and there at your house on the highway. We use to play Yahtzee and she would make her ice cream pie. Loved that! Your Aunt Janis didn't spell her name with an ice, she was a real stickler about that. Love you guys. You'll be in my thoughts through this trying time. Joylene

Joylene, thank you so much for the sweet message about my mom. We were family and I also loved your mother. She told me once that her name was spelled JANICE because she was so nice and not to forget it. Oh the hours we spent together as cousins, I wish I could remember all the fun we had. Mom loved to cook and bake I know you can remember her pies. TY again for the comment.

“ Sue Harvey is the mother of Tami and Kendall Harvey. I was left out of the obituary along with her children and grand children Sean Michael Young (Lexi), Drew David Young (Sophia), Caleb Kendall Long (Destinee). Her great grandchildren are Wyatt Anthony 11, Benjamin Bradley 9, Lola Wren 2 1/2, Shiloh Olivia 4 months. This was a terrible mistake to have been made. Also in the newspaper she was listed as Carolyn Harvey. No one but her side of the family called her Carolyn. She was know by everyone as "Sue". Please pray for us that were forgotten. Missing my mother. Tami

“ *My cousin, you were certainly one of a kind. I will always remember the trip I took with you to your home in Tennessee & how stubborn & set in your ways you were.*

I never knew that a professed "Christian" could be so un-willing to forgive.

In the case of your only daughter, Tammy, you have hardened your heart in a manner wholly unlike a true believer in Jesus Christ.

You completely cut yourself off from the love of your grandchildren & your daughter.

You could not inspire me to come to GOD and be saved while exhibiting such hatred of your daughter.

*Now that you have 'crossed the bar' that separates the raging river of life from the vast ocean of death, perhaps you will soften so on the day when the two of you meet again you will be joyful & loving.
Rest in peace*
