“ *Aunt Sue, my memories with you are from my early childhood. From going to your beauty shop getting my haircut, to getting a pop out of your vending machine, you always popping your gum and getting as many suckers as I wanted. Visiting with you and uncle Barry, playing on your coin slot machine was one of the many things I enjoyed and still remember till this day. I am so happy my daughter had the honor to meet you and spend time with you. You were always a joy to be around and I never turned down the opportunity to come over to see you guys. Until we see each other again, we love you and will miss you very much.*
