“ *Kathleen and family, I am so so sorry for your loss. Even though I had not seen Carson in quite a few years, I remember him as a kind and gentle man. He was my dad's best friend. I have fond memories of our families getting together for BBQ's and the adults playing cards. Carson was a wonderful husband, father and friend in those days and I'm so sure he became a terrific and loving grandpa and great grandpa in his later years. I pray that God will comfort you all during this sad and difficult time. I hope your memories will fill your heart with joy knowing that he had a good life and was loved by so many*♥
