

Cathy L. (Beane) Mann

July 6, 1955 - May 15, 2026

Cathy L. (Beane) Mann, 70, of Pendleton, passed away at home after an extended illness on May 15, 2026. She was born on July 6, 1955, in Anderson, Indiana, the daughter of Jerry and Bettie (Robinson) Beane.

Cathy graduated from Alexandria Monroe High School.

She was a long-time employee of Marsh Supermarkets.

Cathy loved to travel, especially to Disney World and Las Vegas, and truly enjoyed being around family. She was a big pet lover owning dogs and cats most of her life with her long-time favorite fur baby, Gypsy, preceding her in death. Her newest fur baby, Scout, stuck by her side until the end providing her with companionship each day. Cathy developed a fondness of her great-grandbird, Guapo, who she often got to FaceTime with from Alabama. She didn't forget the neighborhood stray cats always making sure to have food on hand for them.

She was definitely the life of the party and will be missed greatly by all.

No more pain. You can see again, breathe again, dance again, and live eternally with all our loved ones who previously left this earth. Until we meet again!!

Cathy is survived by her loving daughter, Amy (Rusty) Jones of Anderson; siblings, Charlene (Gary) Mannies and Mark (Anna Gol) Beane; grandchildren, Brock (Shelby) Phillips, Slade Webb; Brie Anna Reeves (Dalton King), Brayden Waymire, Mason Jarvis, Emily Jarvis, and Brogan Waymire (Cassandra Rusk); and several great-grandchildren and special friends and neighbors.

She was preceded in death by her parents; son, Ronald "Eric" Jarvis; brother, Marty Beane.

Cremation will take place with a private family gathering at a later date.
