“ Many amazing things have occurred on December 10th throughout history. For some the date is birthday or an anniversary that they look forward to every year. For me Dec 10th will forever be the day I lost my best friend. I wish December 10th 2025 never happened. I love you Charlie and miss you more than you'll ever know.

“ I'll never forget all the good times Charlie and I had, playing pool in his garage, all the numerous hunting trips, breaking in new guns we had at the gun range, I'd give anything to have my best friend and brother, we will see one another again. RIP CHARLIE KING...

“ Outside of family Charlie was the best friend I had. It didn't matter what he had going on he would drop everything to help me. We grew up together. You will be missed. My car stereo wont ever sound right knowing you cant help with it. I just wish God didn't choose to take you brother.
