“ Doug was a wonderful neighbor and friend. A.J. and I moved to the neighborhood in 2012 and Doug and Ramona made sure we got settled in and told me about each and every person that lived there! Doug told many stories about his life growing up, working in the factory and driving rental cars. When his wife Ramona passed, he told funny stories about her as well. I always got a kick out of Doug and Ramona bickering with each other!! I told A.J. to remember the lessons our older neighbors taught and remember them with a smile. Prayers to the family
