“ After landing my first job out of college 17 years ago and moving to a city where I knew no one, Charlie was the first person at Allison Transmission who went out of his way to welcome me to Allison Transmission and Indianapolis. This is how I will remember Charlie... Well, that and him with a big smile in a green dinosaur costume he wore to a Halloween party I hosted years later : Charlie was a great person and we were blessed to have known him... Kim, you and your family are in our thoughts and prayers.

“ Dear family/loved ones of Charlie Knuckles... I attended college with Charlie at the Sigma Chi House. He was always fun-loving, kind and quick to share laughter or a joke. I saw him just a few times after we graduated and it was always good to see him. I was saddened to learn of his death and did not find funeral information in time to attend visitation/services personally, so I wantedd to extend my sincere condolences to everyone at this time. May cherished memories support you, even as your tears give expression to the great loss his death represents. Deep sympathy and blessings,
Michael Atwood

“ Kim & Family, It is a blessing to be able to call Charlie a friend. Since moving to Iowa, we didn't see each other as much as "the old days", but still kept in touch. In 2001 we ran in the Mini Marathon together. That was a great day. I can't tell you how blessed I feel for getting to see Charlie just a few weeks ago as we watched a Colts game at Larry's house. It was so good to see him. He looked good and was so full of life, it's hard to believe he is gone. My deepest condolences to you and your family. I will be back in Indy in May and plan on running the Mini in his honor. God Bless, Mike

“ I am saddened to hear the news of Charlie's passing. Charlie was always such a fighter. He had strength and integrity, and I feel blessed to have know him. I am sorry that I am not able to attend the showing or the funeral, my thoughts and prayers are with Charlie's family. God has certainly chosen a fine man to be with Him in Heaven. I have fond memories of growing up with Charlie during our school years together. I will always think of him and smile.

“ Dear Family of "Charlie" - as I knew him many year ago. I was in the same high school class with your husband, father, son. I remember in particular a crazy Biology II project our class did. About 20 of us spent a well-chaparoned :- weekend in Brown County doing DETAILED topography reports of various 10x10 plots of ground. What a time! I think Charlie was well-liked by EVERYone. He was such a nice person. We're truly sorry for your loss. Lean heavily on the shoulders of Jesus. He will help you through these heavy times. Take comfort - you will see him again!!!! He is now where we all want to be. Most sincere condolences. Bless you. The Jim Wolfgangs

“ The term "upbeat" is defined as a contented state of being happy and healthy and prosperous. That fits Charlie and how I will remember him. Upbeat is also defined as a performance that's sprightly, cheerful and usually fast in tempo or the beat before a strong beat; also, the conductor's signal immediately before the first entry. Let's treat Charlie's passing as just that -- the beat before the strong beat. Until we see you again Charlie, all our love.
