“ Dear Mike and Family, Barb and I wish to express our deepest sympathies to you and the entire family on the passing of your Dad, Charlie. As you know we lived next door to Charlie and Treva for many years and enjoyed their friendship. Charlie told me one day when I was cutting my grass that Treva would not let him mow because he did not do the job to her standards. I occasionally would see him in the barbershop and we would catch up on things. Anyway please share our condolences with all the family. David and Barbara Maine.
