“ I will always admire you, Uncle Duaine, for putting family first and working hard to achieve success in your life and businesses. I have many good memories of you and Aunt Diane. You made the world a better place by being here. You helped others and truly cared about people and, for that, you were loved. I am grateful to have known you. God bless you and be with you always. Your family are in my thoughts and prayers.

“ Uncle Duane you where a very honest and fair man. I'll remember you always. What I remember most is our flight from Farmer's Kentucky airport over across licking river from farmers and then to Grange City, Fleming County. Then came back over the hill first time I had ever flown and you let me auto pilot it and that was so great. I will and never forget that memory for nothing . Lot of good memories with you I know you really help my mom and dad when they were young and out in Columbus , Ohio 53 years ago where I was born and came into this world and you're a great man and a good family member honest and genuine. RIP give aunt Diane a big hug and a kiss because I know you're in heaven together.

“ Duaine was a great brother, always willing to help and do what he could for his family. He made a very bright spot in our family. He will be sorely missed. We had so many good times, at family reunions and always enjoyed being together as all "big" families do. I have so many good memories of him and his wife Diana. They visited in our home many times and other family members as well for family reunions. etc. What great memories. WE WILL MISS YOU BROTHER UNTIL WE MEET AGAIN. I will not be able to attend your service in person, due to illness, but my heart is there with your family and we will watch it on line. Always remember we loved you so much! God Bless your family and all of us at this sad time.
